

LED Linear Wall Washer

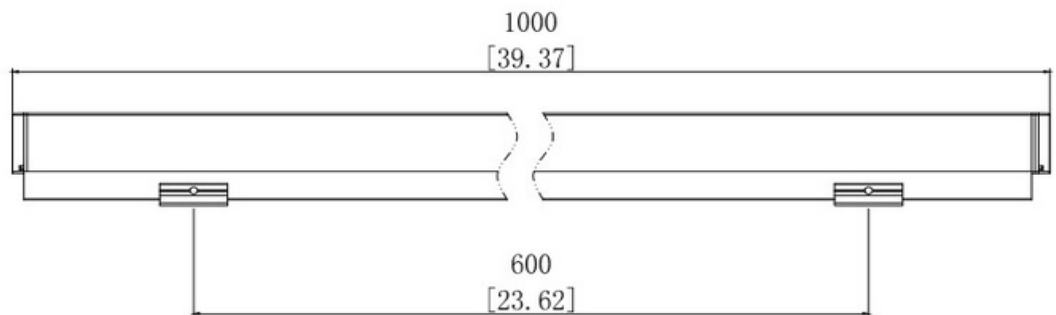

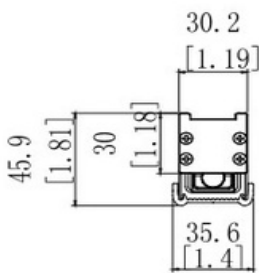

(RGB-RGBW)

When color rendering and very precise lighting of structures and buildings are needed, look no further than the LIGHTSIGN outdoor range of LED linear lights. The units combine both warm and cool high powered LEDs to create a truly custom lighting effect.

24V DC 12W LED Linear Light

Highlights

- Up to IP67 Waterproof
- Up to 90+ Lumens per Watt
- RGB Model utilizes DMX512
- Continuous Run Capability
- Adjustable Mounting Bracket
- LED Brand: CREE/OSRAM
- Up to 5 Years Warranty

Product Code	LS-LN1911A
Voltage	24VDC
Power	12W
LEDs Type	48pcs Osram 2835
Luminous Flux	70-80Lm/w
IP Rating	IP67 when endcaps are used
Dimension	100*30*46 (LxWxH)
CRI	80+
Beam Angle	120
Life Time	50.000hours
Working Temperature	-40°C to 70°C
Warranty	3-5 years
Certification	CE & RoHS
